Information: Why Invest in Becici? Becici, located southeast of Budva in the municipality of Budva, Montenegro, is a picturesque town with a rich history and growing tourism industry. The town is famous for its 1,950-meter-long sandy beach, which won the Grand Prix in Paris in 1935 as the most beautiful beach in Europe. The beach features several private sections exclusive to hotel guests. Becici is home to numerous medium and large hotels. Some well-known hotels include the extensively refurbished Mediteran, Iberostar Bellevue, and Queen of Montenegro. A significant addition to the area's luxury accommodations is the Hotel Splendid, a five-star resort that has attracted celebrities like The Rolling Stones, Madonna, Brad Pitt, and Angelina Jolie during their stays in Montenegro. Becici's combination of natural beauty, strategic location, and high-end infrastructure makes it an attractive investment for developers aiming to capitalize on Montenegro's booming real estate market. Don't miss this exceptional opportunity to invest in a prime location with endless possibilities for development and growth. Secure your investment in one of Montenegro's most sought-after areas today!
